General Information

Heritage Christian School is committed to maintaining a neat, orderly and modest learning environment with as few distractions as possible. How our students dress is a major factor in that environment. ***Your help is greatly appreciated!***

Please understand that items not on our dress code are not necessarily immoral or immodest. They may simply not be appropriate for the classroom environment. For ease of enforcement, consistency and appropriateness, we have eliminated some things that in other contexts may be acceptable.

At no time will any apparel with tobacco, alcohol or drug messages be acceptable.

Please remember that we cannot list every item of clothing or style that you cannot wear. Please wear only what is on the list.

At all times, the faculty and administration reserve the right to determine what is or is not within the dress code guidelines.

Violations

- If Dress Code is violated, the student will be alerted and parents will be informed.
- Parents may need to bring a change of clothing.
- Repeated violations might require a conference with the student's parents.
